

A diagram showing five of the six faces of a cube. The faces are represented as light blue rectangles with red dashed borders. The 'bottom' face is at the top right, the 'top' face is below it, the 'right' face is to the left of the 'top' face, the 'left' face is below the 'right' face, and the 'back' and 'front' faces are on the far left, stacked vertically. The labels 'bottom', 'top', 'right', 'left', 'back', and 'front' are centered on their respective faces in a bold, dark gray font.
